Hygiene and Security – COVID 19

WE CARE FOR YOU

WE HAVE UPDATED ALL OF OUR HYGIENE AND SECURITY PRACTICES.

HERE ARE JUST SOME OF THE ESSENTIALS
FOR YOU TO FEEL AS SAFE WITH US AS YOU DO AT HOME:

 Heating and cooling by radiant floor. State of the art technology which offers maximum hygiene and effectiveness.

 Air purification in reception area.

 Hydroalcohol dispensers in both common areas and in private rooms.

 Cleaning of common areas every 2 hours.

 Deep cleaning of rooms after departure and before arrival of guests.

 Disinfection by professional company (Janda),

 and a number of other measures. Ask us for details.
